QUOTE WV Coal Association The West Virginia Coal Association (WVCA) sang President Trump's praises for his administration's commitment to rebuilding America's coal communities. "Once again, President Trump has shown West Virginia coal miners that he meant it when he said he would help them get back to work," said WVCA Vice President Jason Bostic. "This administration shows exactly how the federal government can be a partner with the states and facilitate coal mining development while still fulfilling its responsibilities to protect the environment."
